FADE IN:

**EXT. STREET, BICYCLE STORE - DUSK**

FATHER, 30 to 50 years old men. He is wearing cheap working class clothes.

SON, 10 to 14 years old boy. He is wearing cheap school suit without jacket (only shirt and pants). His clothes are clean and ironed, but worn out.

The Father takes his son to school every morning. Later, every afternoon, the Father picks him up from the school. Their path lies past the bicycle store. Every day the son follow with a glance an amazing black bicycle in that store (the price is about 2000 PLN). Then he always throws a questioning look at his father.

FATHER

Synku... Nie starczy nam pieniędzy  
na niego...

The Son sadly lowers his head without a word.

**INT. BEDROOM - NIGHT**

The Father is lying in the bed and he remembers some moments of son asking him about that bicycle.

FATHER (V.O.)

Jego urodziny za tydzień, a u mnie  
nadal niema tyle pieniędzy na tego  
rovera...

He picks up his phone and opens a banking app to check the balance on his account.

FATHER (V.O. CONT.D)

Nie potrafię zarobić XXX PLN mniej  
niż za tydzień... Biedny mój  
synek...

He puts his head on the pillow and closes his eyes. The screen starts to dim...

**INT. BEDROOM - DUSK**

Suddenly, the Father opens his eyes because a new idea has just been born.

FATHER

**EUREKA!**

FATHER (V.O. CONT.D)

Stary debil, po co krzyczysz?! Mam  
nadzieje że synek nie obudził się...  
(MORE)

FATHER (V.O. CONT.D) (CONT'D)  
 Ale TAAAK, dokładnie, zegarek  
 taty...

He looks at the nightstand near his bed where an old, worn out, gold wrist watch is.

FATHER (V.O. CONT.D)  
 I dziadka... I pradziadka... Już  
 prawie 70 lat ma, ale nadal działa!  
 Gdybym go sprzedałem, to powinno by  
 było wystarczyć na ten rower...  
 Szkoda zegarka oczywiście..., ale ja  
 MUSZĘ kupić prezent dla synka!  
 Trzeba będzie go dzisiaj na OLX  
 wrzucić.

#### **INT. BEDROOM - SOMETIME LATER**

The Father takes a picture of the watch with an old phone (preferably with a broken screen) and then creates an advertisement on the OLX platform (with help of a very old laptop).

#### **INT. BEDROOM - DAYS LATER**

The Father was checking "Income messages" several times a day, and finally there is something:
